“ Beth and I still have many good memories of our visit to Oregon. Lots of laughter, fellowship and remembering the numerous gatherings our families enjoyed over the years. Becky was such a wonderful person and always had a smile on her face and that is how we will remember her.

“ A great picture of Becky that brings back wonderful memories. One such was a weekend one November when Elliott and I loaded our van with Becky, Marilyn, Merle, Marion, and Dorie and traveled to Jasper Park Lodge as the guests of Uncle Herb and Aunt Pearl. Elliott drove to the tune of non-stop talking and laughter. Such a good time!
That group is sadly diminished, but love and fond memories go on.
With love, Carol and Elliott DeWolfe

“ I will miss Becky, it was great visiting her and Dan several years ago, meeting Dan for the first time. We were all close as kids, visiting on weekends and holidays between Calf. and Ariz. then as Kay mentioned we all had to grow up to pursue our own lives. This past year has been the roughest but I know that she is with the family once again and in a better place. Resting in peace and without pain any longer.

“ We didn't get much time together much once we were "all grown up" but I have fond memories of Becky, Marilyn and I as children, playing together. Three little blonde girls, laughing at our own antics - great memories of childhood of which she was a part of creating. May all the family find peace and grace during this time of sorrow. “ I was Becky hair dresser. She always came in told me stories of her family and how much she loved the special times she had. I was inspired by her no nonsense attitude. We had many laughs about her business and what we would call the lovely side of people. I will truly miss her and i know she is playing with the best of them and watch football and keeping up her pets she missed dearly. So sorry we lost her and she will be missed by many.

“ Dear Dan, Mike, Jen, Marliyn and loved ones: Gary and I send our condolences to all of you for the loss of your dear Wife, Mom and Sister. Gary and the Wilson family always had such fond memories of "the cousins" and how good Becky was to her "Auntie Merle". She was adored and such a sweet cousin. We certainly cherish the memory of the visit to Whately several years ago, when I met Becky for the 1st time and just felt that I had known her all along! I just know that she was welcomed to heaven by those loved ones that passed before her, and as Gary said, they must be playing a heck of a card game! We will hold you all in our thoughts and prayers and know that many years of love and cherished memories with Becky will always be in your company. In Love and Sympathy, Nancy and Gary
