“ Our thoughts and prayers to Chris and the family. Doug was such a warm and friendly individual who always had a smile. I always enjoyed visiting with him when he came into our office. Hold tight to the wonderful memories as I'm sure you have many to help you through this difficult time. Those memories will be with you forever.

“ Our deepest condolences go out to Chris, her children and grand children. As I read the words, written about Doug, all I could do was smile. I pictured every detail of his "story". This was a beautiful man. It's hard to say the word in past tense, because I believe, he will always be an important part of all your lives. Doug's kindness was felt by everyone who knew him and his gentleness was a gift. His legacy has little to do with possessions.....yet everything to do with his family. You all, will take his memory, his life and his love, throughout all your lives. You will cherish him, and remember him, and "feel his presence , when you least expect it. And when you do, you will be open to that gift.
And so, I will say in a different way...This is a beautiful man....
Doug will be missed by so many, but loved always by your family.

Much Love from us both,
Andrea & Simon
