“ My heartfelt sympathies go out to the family and friends during this difficult time. I hope that the promise in 1 Thessalonians 4:14 can bring comfort. Knowing that there's a hope for the ones we have lost in death can be so reassuring.

“ Grandma, you were so loved by many and your gentle, helping heart was always illuminating. Your smiling face radiated every room you walked in. Rest high on the mountain and fly with the angels! Love and miss you so much!

“ Not only was she a pleasant person when we met her, but she was generous as well. We are grateful to her for helping out the family when they moved back to town. That was a sweet thing for her to do.

“ Betty was such a sweet lady. I loved how she and her friend, Betty always went places together. You could tell what a fun time they had together. I have fun as a vendor at Craft Fairs, along with Betty's daughter, my crafting buddy, Debbie. Her mom always came (with her buddy, Betty) and supported Debbie. It was always special to have them come by and browse.

“ Mark and I remember how sweet and humble Gramma Heibel was. Her traveling all the way to New York and Nebraska for our wedding and taking the time to get to know our kids. Gramma Heibel will always be remembered for her generosity and kindness and willingness to help when no else could. She was a very special lady and she will be missed. God Speed Gramma.

“ Betty bowled with us for many years.. She was always well liked by everyone. She had a kind word for all. She will be missed by the ones she touched at Highland Bowl and the Senior leagues.

“ I loved Betty.. When I first came to Meals on Wheels (22 years ago) I was scared and unknowing about everything regarding food and organization of a "assembly line" process. Betty calmly showed (she never lectured) me how to keep myself together and direct the flow of work. I learned so very much from her. I'm grateful for her.

“ Your mom was always so kind and friendly. She always ask about how we were doing and was always very friendly to talk to. Many years ago she and Cliff would sometimes walk by our house on their daily walks and always stop and visit if we were outside and catch up on the latest doing in our lives. I haven't had the pleasure to see her often in the last 10 years but when I did she was just the same sweet lady that was a joy to visit with. I'm sorry for her loss and my memories of her will always be of a warm and friendly lady. Rest in Peace Betty Heibel.
