“ Brett, Janice and family,
I am so sorry for your loss. It has been many years since seeing Joan but many fond memories. Especially the trip to bend, skiing Mt Bachelor and her totally spoiling us for a couple days. Staying at the Red Lion Inn that was so over the top for me never having been treated to anything like that! Yes, the green Pinto as well, many memories off Botkin Rd. A special lady indeed.

I wish I could attend the Celebration but I will be traveling. My thoughts are with you all.

“ I met or re-met Joann while we were both waiting to be called in for a CT scan. We talked about Botkin Rd. folks and houses.

I relayed how much work they've put it and how much love the "new owners" of their old place have for the home.

We chatted about our incredibly wonderful and beautiful grandchildren. She also mentioned how excited she was about her great grandchild.

I so enjoyed our visit and conversation.

We are so sorry for the family, close friends, and share partly in your grief.

Much love,

Elaine, Avery, and Gina

“ So sorry to learn this; anyone who owned a green Pinto had to have a great sense of humour.
