“ We are so sorry for this untimely loss of Kent, your son, husband, brother, father. My personal memory is of Normie and Kent at 4 and 5 respectively getting lost in the neighborhood. Jane, calm cool and collected said "they are fine-they'll show up". When found, Normie said "Kent made me" Kent said "Normie made me". Then a few months later little Kent showing up all alone at our door after Normie had surgery and wondering how he was doing. Kent even as a little kid had a kind and loving heart, an attribute taught by his parents. May peace come to you in this trying time. With love, Norm, Maureen, Mary and Norm Eburne

“ I was a classmate and friend of Kent's at Crescent Valley High School. He was one of the first people to welcome me as I had moved from Iowa to Oregon just prior to starting my freshman year of high school. What I loved about him was that he was soft spoken, very polite and such a gentleman. He was kind to everyone. At each high school reunion, he took the time to greet me and catch up. Please accept my deepest condolences at the loss of this wonderful person. He touched many lives and I feel lucky to have called him a friend.

“ Kent was as good guy and thought of others often. I remember him and his daughter bringing me food to my home after a major surgery to help my wife with taking care of me. I will always remember his stories of fishing with his father.
