“ I had the great pleasure of having season tickets to OSU football next to Maxine and Bob for every bit of 30 years. She was always a delight and didn't seem to mind the constant sharing of football wisdom in which Bob and I engaged during the course of every game for all those years. She would just nod and smile sweetly. Incredible patience with us!! My deepest sympathy goes out to Bob and the rest of her family for their loss.

“ Maxine was a very positive member of our quilt group, Quilts From Caring Hands. Her eyes would sparkle as she talked about athletic events at OSU. She loved her place up above the golf course. I'm so glad to have enjoyed her company. from Larky Hansen
