“ I am saddened to learn of Paul's death. I did not know him well, but did become acquainted through his work at 7-11. We had several conversations about a variety of topics and I enjoyed his company. I knew him to be a quiet and private man who shared himself selectively, so I was honored to be included. I felt he was a man of great honesty and integrity who valued his family, chose his friends carefully and lived with great honor. I miss this.

“ Paul was my brother's best childhood friend. Our family sends our very best wishes to Paul's sisters whom we grew up with. Also, we send many prayers to Brianne. May she find comfort in the knowledge that Paul was loved and will always be remembered by our family.
