

Dr. William K. Lloyd

December 27, 1940 - September 27, 2019

Dr. William (Bill) Lloyd passed away September 27th after a brief battle with cancer.

Bill was born in 1940 in Topeka Kansas, the 4th of 5 children. His sister, Linda Kaiser and brother, James Lloyd survive him. Bill attended the University of Kansas where he met his loving wife, Gerry. Bill graduated from The University of Kansas Medical School in 1967, then served as a Captain in the Air Force stationed in Iceland as a Flight Surgeon. Bill and Gerry then settled in Corvallis, where he practiced radiology for 25 years, and they raised their two children, Bill Jr. and Jennifer. Bill was an avid and accomplished fly fisherman and spent many years on the Rogue and Deschutes rivers, not just fishing, but actually catching steelhead. Few were the times when Bill returned from a fishing trip and had to subject his family to a hamburger dinner.

After retiring in 1998, Bill and Gerry divided their time between Corvallis and Scottsdale, Arizona. They enjoyed hiking, cycling, traveling the world, and driving the 1961 Alfa Romeo Giulietta Spider which he'd restored from boxes of parts trailered out from Illinois. Upon delivery, he found no fewer than 25 hornets nests in the engine; fortunately the hornets failed to accompany the car on its journey west. Bill could be found driving no faster than the speed limit on any twisty 2-lane road between Corvallis and Alsea. An avid golfer, Bill was proud of shooting 4 under his age, an even par, at the age of 76. After retirement, he spent many happy hours in his wood shop, creating beautiful furniture for the house.

Bill was fond of spending time with his children. He completed Cycle Oregon 5 times and recently returned to Iceland for a photography trip and visit to Keflavik AFB with his son Bill Jr. He loved to take Jennifer fishing and camping on the Deschutes, and was proud to take her back to Kansas to visit his old KU stomping grounds.

Bill leaves his wife of 55 years, Gerry, his son Bill Jr. and wife Paola, his daughter Jennifer Lloyd Kelly and husband Ryan, 3 grandsons: Bill III, Lachlan, and Quinn. All miss him very much, but are grateful for the time they had with him, and that he was able to go out on his

terms.

Memorial donations in Bill's name may be made to Lumina Hospice and Palliative Care, 720 SW 4th St, Corvallis, OR 97333. www.luminahospice.org.

A celebration of Bill's life will take place at a later date in Scottsdale, AZ. Those interested in details can email blloyd+celebration@gmail.com.

“ Bill was an excellent physician and business partner, a fun & willing fishing buddy, a good Beaver fan, a superb story teller, a book and bootstrap intellectual, a fair and passionate philosopher, a skilled craftsman, a terrific tinkerer and a full fledged family man. He was a great guy who lead a life well lived.
He will be missed. Peace.

“ Gerry and Family-
We pray for you during this difficult time. Bill was such a great person and lived a wonderful life. It was always a pleasure golfing with him in Arizona. He was fun to talk to and was especially patient with me during the round with me. He was always kind to my children. We will miss his smile in Arizona, but we will take comfort knowing he is now watching over us. May God bless you and look over you.

“ Carol and I are immensely saddened with the news of Bill's recent death! I recall our camping along the Deschutes so many years ago! We looked at our collection of photo albums of Christmas cards from your family over so many years. What fond memories we have of Bill and Gerry over the years. Bill was a unique and dynamic physician with a rare sense of humor! Our condolences to all of you in the loss of Bill. Plan to see you in Scottsdale! Neil & Carol West

“ Dearest Lloyd family,
I have many fond memories of working with your husband at the Corvallis Clinic in the 70s
and 80s. He was a really great radiologist and well-respected.
My sincerest condolences to you and your family.
Sincerely,
Karen Tucker
