“ I was in class with adri off and on for years, starting at Inavale. I found these photos my mom took on a class field trip in 2005 the other day and thought you might like to have them.

“ No conocí a Adriana. Aunque es posible que la había visto con ustedes en una fiesta u otro evento, la única vez que recuerdo verla fue en enero 2017 en un evento de celebración por el día de Martin Luther King. Ella recibió un premio por un poema que escribió acerca de (si recuerdo bien) la importancia de la diversidad. El poema me impresionó, en parte porque comunicaba muy bien las ideas, y también porque estoy de acuerdo con los sentimientos expresados. Además de esto, ella misma me impresionó por su confianza y su manera de ser. No solamente ustedes, pero también el mundo, perdió algo valiosa con la muerte de su hija.
