“ Dear Wilson family,
I am very sorry to read about Alison's passing. While at work today, I was somehow reminded of the time that she surely saved my life. I was running around with a lifesaver in my mouth (ironic) when I accidentally inhaled it and was choking uncontrollably. It was completely stuck in my throat and I was coughing up blood when Alison took me by my feet and hung me upside down while shaking me (I must have been about 6 yrs. old). After a few shakes...out popped the lifesaver...and I will always be thankful that Alison what such a strong woman and knew what to do!
