“ Angie was my first friend when my family moved to Philomath for high school. She was the most outgoing and friendly person at PHS. Angie was a lot of fun and we did so much together, including starting college at OSU together. You will be missed my friend!❤️

“ I've known Angie on a professional level for 14+ years. She worked hard - always getting things done. She'd call me about a permit and then made sure that whatever was needed, got done. She was busy, but kind, and somehow amidst the chaos, we always laughed. She will be missed dearly. ~Lisa F.
