“ Aunt Nita was one of the funniest, sweetest & ONORIENT people I've ever known. I hadn't seen her in person in many years, but she never missed sending us a fun note in a Christmas card & made sure to call me the day before my wedding to tell me she wished she could be here because “it's about time you got married!” She & Harly were my grandparents' best friends & I imagine the reunion in Heaven was quite the party! She'll be so missed here though. ❤️
