

Annette Gonzalez

January 16, 1956 - May 27, 2023

Annette Gonzalez was a caring sister, aunt, cousin and friend. She left us too early on May 27, 2023 at age 67.

Annette grew up in Pomona, California. She received her Bachelor's degree from Cal State Fullerton, though she was a Bruin through and through, receiving her MBA from the Anderson School of Management at UCLA. She spent most of her career in retail, though if you asked her she would say her favorite job was a true labor of love--taking care of her grandnieces and grandnephew when they were young.

For the last decade in her adopted home of Oregon, Annette courageously battled multiple myeloma. She was a fierce advocate for herself and for others, raising money through Relay for Life and befriending many who helped her along her journey. Through it all, she stayed engaged in the lives of family and friends and was always the first to recognize others' accomplishments.

Annette was an avid reader and excellent cook, and she was always engaging in some new creative endeavor. She was a beautiful person who will be missed by the many people who love her.

A celebration of life in California is scheduled for Saturday August 12 at 2:00 p.m. at the Malaga Cove Library Gallery Room, 2400 Via Campesina, Palos Verdes Estates. (Colorful clothing welcome!) In lieu of flowers, donations may be made to the Multiple Myeloma Research Foundation through Annette's tribute page. <https://give.themmr.org/fundraiser/4787703>

Another celebration of life in Oregon is tentatively scheduled for Sunday October 22. Please contact Morgen Brodie for more information.
