“ *Barb and I were work friends for 25 fun filled years together, she was one of the best friends a coworker could have. I never knew a person who so loved twinkie cupcakes as much as Barb especially if it was going to be a hectic day, that girl use to load up her special drawer in her desk. I remember one year as a birthday spoof the department group bought her a whole box of them. She was a sweet lady and I will never forget her.*

*Rest In Peace Sweet Lady.*

*Always Linda Smith and husband Ken Smith*

*My heart goes out to Gene, Debbie ,Mark and Curt, and families*
