“ So thankful to have known Frank and Betty, so full of love ❤️ Two beautiful hearts became forever entwined ❤️ Many happy memories of good times together, they loved our grandson Chase, and everytime Betty saw him she would say where’s my “hug-a-bug,” and give him a big hug and tell him how much she loved him. And he loved her, ... sweet loving heart ❤️ Our thanks to Frank and Betty for all the joy that they brought to our lives, wonderful memories to hold in our hearts.

*My name is Linda..  
I took care of Betty and Frank Strome as a caregiver from Senior  
Helpers when living in Salem, Oregon, before they transitioned to The  
Springs Facility..  
They welcomed me and always showed love for me..  
Thank you for trusting me to take care of you in your home.. I Miss  
You..  
You introduced your Best friends, Martha and George Mickenham and  
we would go out on weekend outings..  
I miss you Frank and Betty, I will always remember you..  
I treasure the friendship that developed between us.  
What started out as a job, soon blossomed into a lifelong friendship, I  
will never forget you!  
Love,
