“ I knew Bruce through some LBCC German classes we took some years ago. He made several trips to Germany to visit friends, and they reciprocated by coming here. I remember his favorite story about a visiting German friend saying "so many books; so little German!" He was a most conscientious student. It was always a small class, and we got to know each other well, even joining in some German meals and potlucks. I also knew both him and Dorothy, again some years ago, when we would all exercise at Downings gym. I was so saddened to read of his death and sorry we'd been out of touch for so long. Lois Courtney

“ Will always remember him growing up as a kid and living next door. Couldn't have asked for better neighbors! Was so nice to be able to keep in touch and know him and the family not only as a kid....but as an adult. Will miss the conversations surrounding OSU athletics and not being able to hear about all the travels he and Dorothy got to enjoy. He is now with Cy and Mary I'm sure discussing local projects that need to be done (and getting some of Cy's suggestions) or who is going to be our next President of the US!

Will miss him dearly!
