“Candy was a bonus big sister to me. I've loved her for as long as I can remember and I will miss her for as long as I live. She and my brother gave me my first nephew, whom I am most grateful to have in my life. I remember playing my first year of City league softball with Candy. Team name was S.O.S. We had so much fun. Love and miss you Candy.

“I worked with Candy at HP in Roseville for many years. She was always generous with her time and committed to thoroughness and quality. What struck me most was her dedication to friends, coworkers, and especially family. Her motivation seemed to come from a deep desire to support and care for those around her. She spoke often of her family and was wholly dedicated to the care of her mother and son.

Candy was a kind and caring person and she will be missed.

“ I have many good memories working with Candy for many years at HP/HPE. She was dedicated and a hard worker and always available & willing to help anyone out.

She was also very thoughtful and would surprise me every year (for at least the last 15yrs) with a happy birthday card, email, or text. I'm sure many others experienced and were touched by her thoughtfulness too.

She was a great lady and will be deeply missed. Rest In Peace Candy!

“ Candi and I have been friends for over 35 years. We met working at HP when she moved to Roseville. She was very respected for her hard work and how proud she always was of her son Seth. We continued to meet for lunch even after we both left HP, just to catch up and have a few laughs. She will truly be missed by all that knew her, and will remain a fond memory to me.
