“ *Carol was the best step-mom one could ask for. She was understanding a over flowing with love. She came to my rescue more than once in my life, one of those was the sharing of her life and family with my Dad Joe Burres. I'll miss your, Carol.

“ Moms three year journey with dementia is finally over. She is finally whole again and not in pain any longer. Even though my heart is hurting, I am happy for her. She is at peace.  
Thank you to the staff at Timberwood Memory Care and the staff at Evergreen Hospice House. We were so fortunate to have her at Hospice House for her last few hours. She was treated with such care and dignity. Thank you to all who cared for my mom.

“ *Carol was a good friend and helper to Fred Briggs. Both were members of the Mid-Valley (Albany) Chapter of the Association of NW Steelheaders. On at least one occasion I took them fishing in a driftboat on the South Santiam River,. I also remember taking Carol's son Roy fishing on the Yaquina River near Toledo. I last visited Carol at an assisted living facility off of Geary St. in Albany. Each time I have driven to South Albany High School, and travel along Geary, I have thought of stopping in again. Now it is too late. I am sorry.*
