“*Christie was an Amazing woman! An extremely hard working one and one that was kind and caring of those she came in contact with. I met Christie more than 20 years ago when she worked at Jade Garden (and before that Wongs Kitchen) and also at the Moose Lodge. I create jewelry and Christie had me make several pieces for her to give to family as gifts and also pieces that she had me create for herself. She was the easiest person to work with on creating those items. I feel so honored and privileged to have known her and I, along with so many others, will miss this woman. We need more like her.*
