“ I am very sad to have learned of Chrissy's passing...we fell out of touch over the years but always seemed to find each other again to catch up on things. I will always have great memories of my visits to see her in Philly and Seattle. We shared a love of Flyers hockey and the music of Rush (she could play a mean guitar)...my thoughts and prayers go out to her friends and family. I'll miss you my friend.
-Kjell

I hope I can make it across the border.

I hope to see my friend and shake her hand.

I hope the Pacific is as blue as it has been in my dreams.

I hope.

“ *Dear Johnson Family,
I would just like to express my heartfelt condolences for your loss. I know that there might not be anything that anyone could do or say that would soothe the pain that you feel. But please rest assured that our Heavenly Father understands how you feel. He has lovingly promised to reunite us with our dead loved ones by means of a resurrection on a paradise earth filled with peace, happiness, and perfect health for everyone in the very near future. (Psalms 37:11,29,34; Acts 24:15; Revelation 21:4) May these trustworthy promises from God's Word the Bible bring you a measure of comfort during this most difficult time. My deepest sympathy to you.*
