“ You were such a close part of our family's life when we lived in Oregon. ♡ Such a happy, smiley, and enthusiastic boy! Always sweet to our girls and fun to be with. We love you all and our hearts are broken with yours. Nothing can replace the memories of those who you raised your babies with. Brett, Cindi and Curtis we love you and our time apart doesn't diminish our love or the place you hold in our heart ♡♡♡

“ Thank you for all the laughter and music we shared. I owe most of my music library to you and each of those songs will be a reminder of your friendship. Growing up in church together since we were 5 years old means there are a lot of memories, and I'll cherish every one. My heart goes out to your family.

“ When I used to babysit Christopher I always knew it would be a fun time because he was so playful but so well behaved and so good with his little brother Curtis! I remember him getting up on stage with Keychain at the Christian coffee shop downtown Medford and just belting out his little heart singing and praising God. He had such a sweet kind heart and even though we are all sad to not share more memories with him here on earth, it's a blessing to know that kid at heart is being celebrated in heaven and we get another chance some day to see him again!

“ I remember when he would come over after work with Matt and how we would all sit and talk about the most random things we could imagine. And how he would actually sit down with my kids and play with them and he helped us wear them out when it was their bedtime. He always had a smile on his face, and always seemed to love life more than anything. He will be missed

“ I Remember everynight after work when we worked at Wayback Burgers he would walk with me home and we would hangout and drink a beer or 2 and just talk about the old days when we all went to church together and how much fun we had he was also a big support to my dad before he passed because of his medical condition and for that i truly thank you Chris you were one of his best friends too when my dad felt uncomfertable about himself Chris made him feel better i will truly miss him

“ *I don't even have words, Chris was a special kid that became a bigger than life man. I still remember him running around the church while we were practicing for worship. He will be greatly missed by everyone, I look forward to meeting him in heaven. I wonder if he will still have that Chris limp....* ”

“ My beautiful boy, taken too soon, with so much love, so much life, so much to give. I cannot express my sorrow, my ache, for his wife, for his brother. I would say to you, Christopher Lance, rest in peace, but I know you too well... You are looking for someone to help, someone to talk to, someone to jam with. And tell Ba hi for all of us.
