Colton Harvey

Aug. 4, 1954 — Sept. 24, 2014

Colton Harvey, son of George and Isabel Harvey, recently died in Corvallis, of natural causes.

He had lived in Corvallis since 1962 and graduated from Corvallis High School in 1977. He later attended Linn-Benton Community College, almost completing an associate of arts degree. He had lived with the effects of mental illness for a number of years.

He had a gentle nature and a soft spot for animals. As a young person, he loved sports, especially skiing. He was active in Boy Scouts and loved camp-outs. He learned to make pottery, and family members cherish gifts from his hands.

Survivors include his mother; brother Tim and wife Luci; cousin Diane; and other relatives.

A private service is planned.

If desired, memorials can be made to National Alliance for the Mentally Ill —

Mid-Valley, P.O. Box 1172, Corvallis, OR 97339; or Trillium Children's Farm Home, Special Needs Fund, Attn. Glenda Fisk, 4455 N.E. Highway 20, Corvallis, OR 97330.
