Curtis was a really great guy with a big heart and a wealth of information. Rest in Peace my good friend. I will soon be joining you. For no one ever escapes the ultimate fate of death.

I worked with Curt in 1980 on a 40 mile pipeline project in Colorado. It took 2 years to complete. He was the superintendent on the job. We worked together closely. He was a great guy. Calm, thoughtful, persuasive, i never saw him get angry. It was 44 years ago. When I think of him, it puts a smile on my face. Jim Curry
