“ Rick , Mike , Family

Sorry to hear of your mothers passing. I've been out of town for a while , and just heard a few days ago. Your Mom was special. I have many special memories that I will cherish

*for the rest of my life . One of them is when she took care of me after my ear surgery for a couple of weeks , many thanks. All the sleep overs , rubber band fights , wrestling , fishing in the lake, and just goofing around , and she kept us all well fed. your Mom was tough, a real wrangler she had to be with two son's and a neighbor kid that came into your family when Rick and I met in 3rd grade at Dixie School . It seemed like I was always over at there house . I pick the rose candle , cuse you Mom looks like a rose.

“ Hello Mike, Joy, Sarah and their children I haven't met. Dolores was always kind to us and waved from her window when we walked past her house. She was like a guardian keeping track of all the little children on Melody Lane. We will never forget her and Curly. We are very sorry for your loss.
