“ Don, you & Kay were such a big part of my family growing up. So many memories...thank you for being such a good friend to my dad. And Jasper as well. I know these last several years were difficult for you. May you rest in peace & out of pain in the arms of our Loving God. Until we meet again...love to you~Mystie

“ Miss you Don....you were like a grandfather to me. Our cigar smokes...talking about stamps and coins for hours...our many 4th of July firework cookouts...admiring your tractors and Model T's...it's hard to believe you're gone. May you Rest In Peace, my friend. I pray you are enjoying the music of angels at this very moment.

You can rest now. Much love, Jasper
