“ I worked with Michele, when she was a psychiatrist Nurse at Adventist Medical Center in Portland, OR. She was a very gifted and sensitive Registered Nurse. She did have a true gift of healing with people and animals. My heart goes out to Michele and her family. May she rest in eternal peace. With love, Jennifer Hall.

“ Michele was a wonderful loving woman. She cared for her friends and animals more than anyone that I have ever known. The world will miss her warm and loving soul. Rest in peace Michele. You will always be in my heart.

Michele was the love of my life. Despite being married for years to another wonderful woman, she remained in my heart always. I wish I had been a better man then. Drugs took me down a hard path. I never hurt her, but I could not give her the life she dreamed of. I hope she found it without me. Forty years have passed since we were together, and yet I cried like a baby when I found out she had passed. I wish I could say, "I'm sorry," for the pain I caused her.

I'm sorry, Michele. I'm so very sorry.
