“ Our family meet Doris 30 years ago. Our father had told us he was going to marry Doris.

He had only known her for 2 weeks and we thought it would never work but when God has a plan it will work. All 5 of us loved her the first time we meet. We traveled many times to see her after our father had passed. She always opened her home to us. I was heart broken when I heard she had passed away. She will be greatly missed.
