“*Mark and Kelley, I was so sorry to hear about your mom. She was a kind, dear, sweet person who I really enjoyed talking with on the telephone, during the times when she would call the office. I also ran into her at WinCo every so often and we'd have good conversations there. I know from your dad that she had her health challenges, and it seemed she bore them with good grace and a smile. I wish I could have know her better and the two of you better too. May God's peace and calm presence be with you now in your sorrow, and know that she is in a better place and she's with your dad, once again. Fondly, Carol (Spinney)*
