

Elizabeth (Betty) Ann Brummett

September 12, 1927 - October 9, 2013

BETTY PHELPS FALLIN BRUMMETT

September 12, 1937- October 9, 2013

Betty passed away peacefully October 9. She was 86. She was born to Kenneth and Annie Phelps in Summit, Oregon, on September 12, 1927. She graduated from OSU in 1949 with a bachelor's in Pharmacy, but didn't take the state boards for her license until 25 years later after auditing classes for a year. Betty was a pharmacist at Kampfer's Pharmacy in Philomath and Ralph's Drugs in Junction City.

Betty married Spec Fallin in 1949. They later divorced. She married Preston Brummett in 1977. She loved her family and watching her grandkids' sporting events, gardening, camping, and her chickens. She was a member of the Blodgett Community Church and Benton County Genealogical Society where she enjoyed exploring her King family roots.

Betty was preceded in death by her husband Preston, parents, brothers Bert and Stan. She is survived by daughter Edie Williams (Bob), sons Doug Fallin (Karry) and Bill Fallin (Carol), 8 grandkids, 11 great grandkids, and 3 great great grandkids, sisters Lois McBeth and Mildred Goolsby, and brother Willie Phelps.

Mom will be missed by so many. She was a very kind, gentle, sweet person. If everyone had a little bit of Mom in them the world would be a better place!

Her family also want to thank Kelly and Tina at PS We Love Seniors foster care for their compassionate care of Mom.

A potluck in Mom's memory for family and friends will be at the Blodgett Community Church Saturday, October 26 from 11-2.

“ To my Gram Betty~

I have many, many awesome memories of you! You were ALWAYS the kindest, most caring person to EVERYONE around you! You were sweet and giving! You were funny and had a great laugh! Although, I do remember many things about you, one of the funniest were the times that we would go to OSU basketball games and you would yell at the refs! Totally out of character.....at least I thought, but hilarious! You were a great role model for me and my sisters and I thank you for that! Thank you for being so special to me and you will NEVER be forgotten!! I love you Gram Betty!

*Your first grandchild,
Kori Lani*
