“ As a young Claim Representative with State Farm, I was assigned to handle auto claims from Butch Lundy’s office. He and his staff were an absolute pleasure to work with. He always looked after his clients! Later, when I married, he wrote life insurance for me and my new bride and remained my Agent until I moved out of state. My deepest condolences to Bonnie and Family.

“ Butch was one of my earliest fishing buddies in Corvallis. We fished in Oregon and Alaska starting in the later 1970s. I appreciated his knowledge and sense of humor. Condolences to Bonnie and Brian and the rest of the family.
