Literally one of the most badass and most loyal people God blessed my life with. I met him his jr year of high school playing foot ball at lunch. He had a special heart and sharp mind. To people he didn't know he was that bulldog tattooed on his arm bite first and dont ask no questions lol. He was a true protector and a really solid friend and brother. Playing basketball at monte vista or horse shoes at your grandma's with his cousin Adam or at your mom's I never and I mean never seen him change up on nobody. Gone but never forgotten so until we meet again bro #keke
