“ Fred was one of my best friends from way back. I regret that I didn't try harder to stay in contact with him over the past several years. He turned me on to a lot of good music, and helped me find employment and places to hang out when I first came to Corvallis. He once drove his '56 Chevy (on 4 cylinders part of the way), from Grants Pass to the Bay Area to visit when I still was living there. Rave on Fred, I miss you!

“ Fred was one of the most genuine people I have ever met. He was always there for you, solid as a rock. I will miss him dearly. We would always end our evenings with a quote from the movie "Gladiator". Strength and Honor we would say to each other. The honor was all mine having a friend like Fred. Always in my heart and prayers. Rest in peace my friend, I love you

“ So sad to hear this news. I don't live in Corvallis anymore so I haven't seen Fred for a while. I did not know he had cancer. Surely he was too ornery for such a thing? Every time I ran into him we greeted each other enthusiastically. Fred and I shared a love of football and had numerous spirited discussions on the topic. We would also talk about music and family. Yes, usually over beers. Rest in peace Fred - you rock!!
