“ rGary was such a Good Friend & a Fun person to be around, he was very musical & knew how to play many instruments by ear ! He taught me the song : Something in the Air by Thunder clap Newman & Joe Walsh & the James Gang : The Rides again Album. He also could play the drums pretty good to alot of these songs . His parents were very musical people as well. Gary lived just 2 houses down from me . Gary also enjoyed down hill snow skiing. And buying K-2's & all the gear that it took to have a good safe time .Me & Gary taught each other music as we went through life together, I wish I could spend more time w/ him but I got so busy with my Job . Gary was really a big part of my life ! R.I.P My Friend ! I'm gonna miss you !
