“ I am sorry for your loss and for the other family members loss. Thank you Momma Ruby, for calling Vernie and letting him know. If it weren't for that I never would have known that my father had died. I want to thank you and your daughter for taking such good care of him until you no longer could. His last days spent at the nursing home was obviously for the best. I am glad hospice came in and helped him through his transition. I pray that he is now finally at peace. Love to all. Lisa R. Hood
