

Inez Lucille Lemaster

March 23, 1940 - November 26, 2023

The sorrow of losing you is only softened by the joys of having had you as our mother.

She lived her life on her own terms and when it came time to leave, she peacefully passed on her own terms.

Inez was survived by her three children, Carroll L. Moon, D. Renee Moon, and Shelly A. Moon.

Inez was born and raised in Philomath Oregon, graduating from Philomath High School. She loved the ocean, a good scotch whiskey, and spending time with her children. Her presence in our lives will be sorely missed.
