

Jaden Daniel Zimmerman

April 28, 2001 - December 5, 2021

Jaden Daniel Zimmerman, 20, of Corvallis, died December 5, 2021, as a result of a tragic car accident. He was born on April 28, 2001, in Corvallis, Oregon. The son of Dale and Amie (Riggs) Zimmerman. He spent his childhood as a "military brat" moving 10 times in an 11-year time span, visiting 15 different countries, and going through 7 school changes. After his Dad's time in the Air Force ended, Jaden and family moved back to Corvallis, Oregon, where he attended Linus Pauling Middle School, spent some time at College Hill High School, and graduated from Corvallis High School in 2019.

Jaden loved to make people laugh, be the center of attention, and pull off a good prank. Hanging out with friends and being outdoors were his favorite things to do. Whether floating the river, hiking trails, exploring abandoned houses, climbing buildings downtown, or having a "spa day" at The Hot Springs, Jaden needed to be active. He also seemed to visit the Emergency Room more than the average person.

Throughout high school Jaden was involved in YoungLife. He spent time volunteering in many capacities from an assistant coach for a youth flag football team to building wheelchair ramps.

Some of his interest included studying the bible, reading the Constitution, playing video games, taking friends to go shooting and developing various business ideas. Jaden was a true Patriot that loved America and was passionate about protecting our freedoms. Jaden loved his family, his dog, Revan, and his opinion.

He is survived by his dad, Dale Zimmerman; his mom, Amie Zimmerman; his twin brother, Blake Zimmerman; his younger brother, Efrem Zimmerman; his dog Revan; the fungus in his bathtub, and a collection of shot glasses and ammunition.
