“ He was my pops, The greatest man i have ever known. Every day he worked 9-5 for his children every day of the week, all he wanted was the best for us. looking back on the life we shared i wish i treated him better for all the things he did for me growing up. even though i was kind of an asshole growing up my dad never gave up on me even when i was at my worst. Forever and always i will love you dad.
