Tribute Wall

“ I remember James as a 4 year old boy with his Mother Peggy, they came to visit at my neighbors house and my neighbor introduced us. They were some of the first people I met when I moved here in 1980. Our kids used to play together when they came by. 20 years later after not seeing him for all those years he comes over to our house with my daughter Angela, what a surprise that was. I can't imagine how it feels to loose a child as I have not had to go through that yet in my lifetime, but I know it's got to hurt deeply and I am so sorry for the loss of that little 4 year old boy I met 39 years ago. God bless you all

“ We lost our 43 year old son on the 6th. My heart aches for you. It isn't supposed to happen this way. I've found that my faith in Jesus is what has helped me most during the times when the grief overtakes me. Tears, and more tears flow from my eyes and we are all missing him. I pray that you relish the memories of your son, and brother.

God bless you all as you go through this chapter in your life.
