“ I worked with Lyola at Cent-Wise Drug Store in Lebanon starting in 1974. She told me the story of how horrified Jim would be when he received notices of Pow-Wows in the mail in their younger years. After that every time I would see him, I would put up my hand and say, "How!". He would get that wry little smile and just shake his head! Jim and Lyola were such a wonderful couple who loved Life, Family, God and each other.
I am so sorry for your loss!
