“ I share a word of thanks for Jenny ("Jane" as I knew her) and her generous and gracious spirit. While I don't have a specific story to share, I do have fond memories of her sharing of stories about her her home and family life in Indonesia - stories that helped me to understand some of the differences we find in our cultures and that opened me to a different and engaging sense of the spiritual realm. These were great gifts for a younger me. Peace, Timothy Stover
