“ We are very sorry for the loss of this special person. Joan was our neighbor for over 30 years and she was always so beautiful and kind. We loved our chats at the mailbox and her most beautiful smile. We tried several times to reach her by phone in Oregon but were unable to make contact. We just learned from the real estate agent of her passing. We are so sorry not to have a last conversation. We felt a loss when she moved away from Suffield to be near her dear daughter; now we feel another deep loss. The world has lost a wonderful person. Our sincere sympathy to family members. Rev. Earl and Linda Imswiler, Suffield, CT 6-17-2014
