“ Lois
I am heart sick to hear about John. I remember when he came in to the store after Pam died and him breaking down and crying for her, and him sayin ""not my little Pammy!!". Now I am crying for him... that is twisting me up alot.. It seems like the people that love the best and we love the most are the ones that are hardest for us to say good bye to. Like Pam and I, you guys were one word... A beautiful example of a marriage and partnership.... you guys were so blessed to be able to share life, and together it was an awesome combo to everyone you knew. I know that everyone will tell you that if there is anything they can do..... But I would be honered if in some way I could help you out.. You know where I am, I hope to see you soon.(I can lift stuff and I have a pickup...) Love you Lois.. Mitch
