“ John was a gem. A wonderful and compassionate man and a talented and giving soccer player and coach. We love you and your family.

“ I am so very sorry for your loss. John was a wonderful coach, friend, mentor, and person. I played for him, and coached JVB while he was JVA at Corvallis High School back in the late 90s. I learned so much from him at that time. I will never forget his cheeky grin and raised eyebrow.

He will be missed. My heart is with all of you at this time.

With love,

I met John in the early 80s while i was a junior at OSU. We were both early members of the Maranatha fellowship. He alway had a strong mentorship sensibility and a thoughtful mind. I recall one time walking back from campus where out of the blue he asked me if i knew the difference between a psychologist and a psychiatrist. We had many conversations about life. Eventhough he was just a few years older, I felt like he was the older brother I never had. My love goes out to his family. (I may have a photo to share, if i can find it).

Oh yah, he definitely had a cheeky grin.

Love,
