“ So sorry to hear of your loss. John & I worked together at the Habitat Restore fixing lawn mowers, chainsaws, and whole array of other equipment. He was so helpful to the cause, often going out to get parts and materials we needed or just finding a little screw that I dropped, all the while offering encouragement to us both in some mechanically trying times. I think I speak for others at Habitat as well when I say that John will be sorely missed.

Gene (aka Dave)
