

Joshua Ryan Long

May 12, 1986 - July 4, 2023

Joshua Ryan Long of Corvallis, OR left us on July 4, 2023; way too early, he was only 37. Josh was born to Jim and Pam Long in Denver, CO on May 12, 1986. He was the best big brother to his sister Ashley Long.

Josh was so loved by his family, friends, and coworkers. He was a very private person, but if you really knew him, you knew he had a goofy side and an infectious laugh.

Josh was hardworking and very dedicated to his job at HP. He was actively involved at work with the Veterans advocacy committee. He participated in events involving raising and lowering of the flag, not to mention, dedicating his free time to working with homeless veterans. He also was an avid disc golfer and enjoyed trying new beers.

Josh is survived by his parents, Jim Long (Cindy) and Pam Long; sister Ashley Long and two step-siblings; aunts Sharon Wiles (Mike) and Donna Ewing (Reggie); uncles, Danny, Kenny, and Paul Rustin (Sarah); and many cousins. Josh was preceded in death by his grandparents, Benjamin & Carolyn Rustin and Donald & Joyce Long.

In lieu of flowers please donate to Wounded Warrior Project or your local American Legion. Joshua was an advocate for Veterans in memory of his Grandfather B. Rustin.

“ Josh was an incredible colleague at HP. He was sharp and efficient, but most of all he was cooperative to get the important work done - on time, and done right. You knew you could count on him to deliver, and you knew you could go to him for a favor. He will be greatly missed at the HP campus. Condolences and well wishes to the family, and rest in peace, my friend.

“ Our main hallway is 3/4 of a mile long inside the campus, it is well travelled people know your face and might not know your name but you smile and wave anyways. Josh had a walk and a look you could see for yards and it was always good to see him, coming or going everyday, everyday. In grace and peace I close my eyes and know he is well, sweetest condolences my friend.

“ I was so shocked and saddened to hear about Josh's death. Josh and I were coworkers at HP in the R&D 3D Printing Lab for 5yrs. Josh was our operations specialist and was always hard-working. Occasionally, Josh would ask for a ride if we were going to a team get together after work. During those times, I did get to see that more laid-back side of Josh. We both enjoyed a good IPA and visiting outside of work was always a fun time filled with lots of laughs.

I just retired from HP in March. At my luncheon, as I was looking around the table, I was wondering where Josh was...

Then in he walked with these beautiful Purple Flowers! Everyone knew my favorite color was Purple. It was so special and kind of him to do that for me. So, I thought I would share them with you. That day when I gave him a hug goodbye was the last day, I saw Josh, but I never thought I would not see him again. I am just so deeply sorry. My thoughts are with your entire family during this difficult time. May the memories you share continue to give you peace.

“ I was on a lot of teams with Josh at HP, and I was thinking back on some of my favorite times with him - our HAZWOPER training was a blast, probably more fun than it had any right to be, and a lot of that was due to Josh. I'm going to miss him.

“ Josh was great to work with during our Veterans events. These are pictures of him at our last flag ceremony. He was the best at folding the flags.

“ Josh had the greatest laugh and I always teased him that it sounded like Beavis & Butthead! We didn't always get along, but I sure am going to miss him!
