“ Joy was one of the reasons I stayed in AAUW. She took me under her wing and introduced me to other smart, interesting women. She was my partner in putting on the Mothers-Daughters workshops when our branch received a grant and was my co-presenter at the state AAUW convention that year. She invited me, "the kid", to join the women's ski group in Bend where we shared lots of belly laughter and returned to Roseburg tired but renewed. I feel much blessed to have had her friendship. *Sonia Wright*

“ Joy's mother Ruby Hoerner was a dear friend of mine through PEO and she often talked about Joy. I recall she enjoyed writing, especially poetry.

MY

“ Mrs. Rich was my kindergarten teacher in Roseburg from 1964-1965. I now live in Corvallis and when I saw the notice of her passing in the GT it triggered some memories from so long ago. The last time I saw her I was a senior in high school and was impressed she still remembered me. Not sure if that was a good thing or not? :) Sorry to read about her passing, my thoughts are with you. *Mary Gove Yates*

I had Mrs. Rich in 1968 for kindergarten at the YMCA. So many memories, learning to swim, catching pollywogs , getting to bring home a rabbit! I read her death notice in the Corvallis G-T. She was a wonderful teacher.

One of the best things about moving to Roseburg was discovering Joy was our neighbor. She will be sorely missed and long remembered.
