“ *What a special man Juan was! He was a neighbor of my mother's at Conifer House. His smile and charm were contagious. I remember once while visiting he very proudly showed us his photos of his family. The love and pride he showed were heartwarming. My thoughts and prayers are with you all.*

“ *Dear Vega Family, I knew and was blessed with being able to worship with Juan at St. Mary's church in Corvallis. He was a man of great devotion and positive faith. At the prayers of the faithful, he thanked God for being able to worship with "these wonderful people". We all felt blessed to be with him and will miss him, although have no doubt he is in angelic company now. I am very sorry for your loss, and pray for your comfort. Please let the parish know if there will be a service for Juan. God bless you all, Marie Mingo*

Diana Allen

I first met Juan over three years ago when my mom became his "next-door-neighbor" at Corvallis Caring Place. I became better acquainted with Juan these past two years when he and my mom again became neighbors at Conifer House. I loved Juan! I loved his pride in being "Juan Vega from Cuba." I loved his courtly mannerisms, his love of all things Cuban and his love of dancing. I danced with Juan on more than one occasion and will always remember his deep love for God, his wife and being Cuban. Te amo mucho, Señor Vega! Vaya con Dios!

I first met Juan in the Adoration Chapel at St. Mary's. He went around to every person and said, "Do I have your name on my prayer list?" He would write it down in his little notebook. He simply oozed with love for God and each person he encountered. If anyone kept the first two commandments, it was Jaun! And he did it with great joy! I am sure his exuberance for life and his joyfulness will be sorely missed by all who loved him. And he will never be forgotten by anyone who met him.

I too met Juan at St.Mary's in Corvallis several years ago. Everything others have written is so true. When he talked to me I felt I was talking to someone already a saint here on earth. On Thanksgiving day I am thanking God for the gift of having had Juan in my circle of friends for a brief time here on earth.

Dear Vega Family, I had the honor and pleasure of knowing and working with Juan during the years he lived at Corvallis Caring Place. He had a gentle soul. Almost daily he made me smile when held my hand and spoke his kind words. He will not be forgotten. My thoughts and prayers are with you.

To the Vega family, it was a pleasure and honor to have known Mr. and Mrs. Vega. They opened their/your house to a group of teens playing music and rehearsing with their son back in the 70's. I got to meet the four boys and daughter and spend some time in the Vega household. Es con todo respeto ques les brindo mis condolencias. Rest in peace.
