“ *What fun we had when Mike and Dick coached Boy's Club baseball teams! Out of town trips to regionals made for lifetime memories and the girls had someone to play with while we watched the boys play. We were sorry to hear of her passing. Judy and I go back a long way as we both went to school in Toledo . She was a great lady and will be missed.*

“ *I'm very sad to hear of Judy's death. What a hard time for family!!*

I haven't seen Judy in some years. We worked together in the late 70's and early 80's resettling Vietnamese and Cambodian refugees. I remember her abundant common sense, great sense of humor, and incredible work ethic. She really knew how to dig into a big project like refugee resettlement and take care of tasks, big and little, including the glamorous as well as the not-so-glamorous, such as mucking out an apartment left in a bad state, or sorting through piles of used clothes for those that were in satisfactory condition. Judy was a little older than I and a great deal more mature. I was blessed to learn from her and am better for that.

May the Lord comfort the family in this difficult time.

“ *Sorry to hear about her, we enjoyed many years playing bingo together and sharing things about our families which Judy was so proud of and so excited when they came to visit, especially her grandchildren that she was so proud of. She definitely will be missed by all.*
