“ *I remember when my son couldn't find his way out of the mountain because it was dark he had no light Amy And Kasey were the first ones called and the first ones to look for him at the time Kasey had a back injury and he was wearing a brace he was in a lot of pain but still walked down 3 miles to where my sons truck was looking for him. People like Kasey and Amy are the kind of friends you want your kids to have. Kasey you will be missed God bless you*
