“ I met Katie about 12 years ago at the Doxology once-a-month dinners. Katie was always full of fun and life. For many years, she was my right hand woman, putting up the flyers for the dinner. She especially loved the times when we had a New Year's Eve party with bingo. She considered it a celebration for her birthday! I also had the pleasure of leading the "readers" for our yearly Christmas play. Katie was always so willing to do whatever part I asked of her, and was so capable. Most recently, Katie showed great concern to me as through my husband's cancer journey. I will miss our Katie-girl so much and will cherish my memories of her. She had a beautiful spirit!
